About Us

Whether looking for long lush looks or just wanting a little more volume, all our technicians are highly qualified and hold a prestigious **Diploma Master Extensionists** also **State Registered Senior City & Guilds Advanced Hair Stylists** so you can be sure your hair is cut and styled professionally always available to offer educated, informative and personalised free advice

- *We pride ourselves on our dedication and passion to providing the best service, continuing to be at the forefront on all new methods with continued education.*

Our 100% pure Remy hair, we believe the quality is second to none. We offer many different ethnicities to complement your own hair type, texture, thickness and budget. A proven track record after many years of using the same suppliers for quality and longevity

- *Recently hair prices fluctuate greatly unfortunately with the introduction of Brexit causing the fall in the pound against the dollar which caused a jump in costs of 15-30%! We are fully open about your hair costs and believe through client feedback and experience, the fairest way to work out your hair cost is the hair price plus our standard fitting fee.*

FREE IN DEPTH CONSULTATION

A one to one personal and friendly pre-booked appointment. We professionally observe your hair texture and depth, what you would expect from your new hair enhancement, talk about your life-style and we show you all of the methods in situ on a dummy head so you can easily visualise and feel each one. We can let you feel and see the differences in the hair types and then recommend a method to suit your hair texture, and colour.

Try any method for FREE we match your hair and discreetly place one (or two different) of your chosen method, which is then cut to size for you to experience.

FREE TWO WEEK FOLLOW UP APPOINTMENT

where we check over the hair, discuss any concerns you may have, check your growth then recommend the timescale for your safe maintaining.

FREE ONGOING SUPPORT
